EXT. CRiTOPiA PARK - EGGY'S PARTY
Everyone is celebrating EGGY'S creation day with a party.

Cut to various CRiTORA eating food at the tables, including DESIGNLESS and STUART ARTIDAE eating their cupcakes and DESKJET CHUCKLE drinking lemonade.

We also see MING-MING and GOLDIE playing darts. GOLDIE took her shot out by floating directly to the target and marking her dart at the center. MING-MING claps to her, while PLUFF & RUFF, next to MING-MING, looks at her unimpressed.

Cut to SPOTTIE, AVERY, and CONEBOY standing someplace else at the party with snacks and drinks in their hands. SPOTTIE takes a sip of her drink.

SPOTTIE
(SIPS DRINK) Ah! Look at all this! We sure went all out for our favorite little egg's special day, huh?

AVERY
Yeah! Look at how much fun everyone's having!

We see a stage hosted by a DJ, playing exciting background music. A few CRiTORA is seen dancing on the dance floor, including NONSENSE, crazily wiggling his arms. A few CRiTORA stare at him.

NONSENSE
(EXCITED) *Weeeeeeeee! Look at me go!*

ERNIEJOE
Yeah, we're looking. *Unfortunately.*

Cut back to SPOTTIE, AVERY, and CONEBOY

CONEBOY
Heheh! You know, I'd love to see Eggy right about now!

Meanwhile, BIG G, BUNSEN, and NUZZIE are off on their own, playing games and eating snacks. However, NUZZIE takes notice of her brother BUNSEN, who has been acting quite nervous.

NUZZIE
What's the matter, Bunsen? Are those drinks bugging you?

BUNSEN

(NERVOUS) I-I don’t know… Okay, I do know… but it's just those crazy narks! Ugh… they've been messing with us all the time lately! I'm worried they're probably gonna strike again here…

NUZZIE

Do you mean those ViRUSES? C'mon bro, we've got Big G here! None of them goes through him!

Big G nods while scratching behind his head, appreciating the compliment.

BIG G

Thanks! I…I respect that.

BUNSEN

Heh, I guess you're right! Who am I to complain… I got nothing to worry about but how much I'm gonna splurge on these drinks!

BUNSEN starts gulping down his drink, electricity sparking around his plug-ears as he does. Charged up with electricity, he zooms off in an electrified blitz.

NUZZIE

(MIDLY IRRITATED) Oh, Bunsen.

We go to EGGY, who is sitting alone at a table with his birthday hat on. He had a slightly worried expression for such a cheerful occasion. He was drawing something with crayons before he looked over to his side, as a dotted-lined outline of [NO NAME] blinked in and out next to him. [NO NAME] wasn’t at his party, and he looked down at the table as he sighs with a sorrowful look on his face. Just then, SPOTTIE, AVERY, and CONEBOY arrive near his table.

CONEBOY

Hey-heeeey, party bud! What’s creaking… erm, Eggy…?

They all became concerned about EGGY as they noticed the worried look on EGGY’s face. EGGY looks up at them.

AVERY

(SARCASTICALLY) Gee, what a delightful thing to say, *Conan.*

SPOTTIE

My goodness, why the long face?

Just then, EGGY holds up a drawing of [NO NAME] for the three (and the viewers) to see.

SPOTTIE

Oh… Your robot. Well, um… I'm sure they wouldn't miss out on your party. I mean, you seem to strongly bond with them! Why wouldn't they?

CONEBOY

Nyeah, I dunno, Spot… they've been going off and on all over the district ever since we first saw 'em. They probably think it's best if… well, if they didn't come…

EGGY starts to frown more, growing more bitter as their conversation continues.

AVERY

What are you saying? If *I* were Eggy's robot, I'd never miss out on such a special day! Don't you think so-?

EGGY is not at the table anymore. His party hat is left behind on the table.

AVERY

Eggy!

SPOTTIE

(STUTTERING) H-hey, don't worry, you guys. He'll come back! He'll be back before you even know it! (WORRIED) *…I know it…*

SPOTTIE, a bit concerned, starts walking off, with AVERY and CONEBOY soon following.

CONEBOY

Well, Eggy sure is gonna miss out on this… but just imagine what other things *we* may miss out on!

We cut back to NUZZIE and BIG G, both sitting on the ground and taking a rest. BIG G was looking down in thought, before turning to NUZZIE.

BIG G

Uh… Nuzzie?

NUZZIE
Hm, what’s up?

BIG G
I've just been thinking… Have you come to notice that all the ViRUSES we've witnessed so far had been nothing but… well, mean to us?

NUZZIE
No… Why?

BIG G
Well, have you ever thought if they could… you know, not be mean… perhaps, be as caring as all of us? If they could be… happy?

NUZZIE
(IN THOUGHT) Huh… now that you mentioned that, maybe…

NUZZIE thinks about it for a while before shoving it off.

NUZZIE
Egh, I don't know, G… How would that ever happen?

BIG G slightly looks down upsettingly.

EXT. ViRAL AIRSHIP - LOW ANGLE SHOT
Suddenly, we cut to see a mysterious airship floating slowly in the air. The camera zooms in slightly.

EXT. ViRAL AIRSHIP - DOCK
ViRAL PUP is seen on the front of the dock, spying on the party going on at the park.

ViRAL PUP
(FASICNATED) *My my*, what do we have here?

INT. ViRAL AIRSHIP - CABIN
We transition to see ViRAL PUP inside the airship, opening a door to the cabin where QUEEN ViRUS is.

ViRAL PUP
(EXCITED) Darling, you better take a look at this!

We reveal QUEEN ViRUS, playing with building blocks at the table.

QUEEN ViRUS
(ANNOYED) …Can’t you see I’m in the middle of some important business here?!

ViRAL PUP
Ma’am… (POINTS FROM BEHIND) This is important business, you know.

QUEEN ViRUS gets up from the table.

QUEEN ViRUS
Hmmm… …Very well… What must this… business, be?

EXT. ViRAL AIRSHIP - DOCK
They’re now outside the deck. As they were approached, ViRAL PUP hands over the telescope to QUEEN ViRUS and spots the party.

QUEEN ViRUS
(FASICNATED) Aaaaaaah, I see! *Hmmm…*

ViRAL PUP
(EXCITED) Well, what do you think?

QUEEN ViRUS
What do I think? (SCOFFS) I believe this is an utterly ridiculous sight! All of these simpletons huddling up together and dancing without a care… It's perfect!

ViRAL PUP
Ha! I knew it’d be a great day to fly out here! Shall we send one of our fellow ViRUSES to-!

The QUEEN places a claw on Pup's lip.

QUEEN ViRUS
Actually, pup! I’ve been thinking of creating one from the comfort of our airship… and *then* sending it out!

ViRAL PUP
(CONFUSED) From *here? Right now?* But… *how?*

QUEEN ViRUS
Well, allow me to show you!

INT. ViRAL AIRSHIP

Inside, QUEEN ViRUS opens up her latest project. It was a top-secret application, which she would showcase to ViRAL PUP.

QUEEN ViRUS
May I introduce you to… ***THE INSTANT ViRUS CREATOR!***

ViRAL PUP
Woah! (CONFUSED) Wait, a *ViRUS creator…?* Don't we already have one at the bay?

QUEEN ViRUS
Why, yes we do. The main problem with *that* old thing is that it's incredibly bulky *and noisy and* ***I HATE IT!!*** *So*, I've taken upon the liberties of persuading some of our- I mean… *designing* the tool by myself, to create an app that allows me to select exactly what ViRUS I want to make easily…

QUEEN ViRUS selects the ViRUS type and customizations on the app. The app was going to make a V-A ViRUS with no modifications.

QUEEN ViRUS
…and then… ***CLICK!*** Very soon, my new ViRUS shall manifest on this very airship in no time!

ViRAL PUP
(impressed)
Wow… I'm impressed! Heh, just think! An entire army of ViRUSES, created in a mere instant! (STARTS LAUGHING)

QUEEN ViRUS
Hahaha, I like your brilliant words, gal! (STARTS LAUGHING)

While QUEEN ViRUS and ViRAL PUP were both gloating, the app's progress loader seemed to be frozen.

QUEEN ViRUS
(CONTINUED LAUGHTER) Heh…*huh…?!* ***Oh, come on!!***

QUEEN hits the app with her claw a few times. Just then, the app starts to become a little glitchy. Some weird sounds are heard as the app starts to become unstable. QUEEN ViRUS and ViRAL PUP both back away from the ensuing problem.

ViRAL PUP
(SCARED) Wha… What is *happening?!*

QUEEN ViRUS

I-I don’t know, do I look like I know?! I know this will!

She wields her scepter at the unstable app and shoots a ray onto it. An explosion of smoke emerges from the zap, soon disappearing as QUEEN ViRUS and ViRAL PUP were both coughing. Below the app was a strange, white capsule, to which QUEEN ViRUS and ViRAL PUP both noticed.

ViRAL PUP

(IN CONCERN) …What the heck is *that* supposed to be?!

QUEEN ViRUS

(IN CONCERN) Oh, shoot… *That doesn’t look good…* Why I sincerely hope all of this instability doesn’t cause the ViRUS any-

QUEEN ViRUS and ViRAL PUP stopped arguing as the capsule suddenly started shaking, backing them both away a bit. Before long, an ALBINO V-A emerged from the capsule. QUEEN ViRUS and VIRAL both stare at it for a bit, with QUEEN taking a deep breath.

Not too long, QUEEN ViRUS is pacing back and both while the ALBINO V-A stares at her.

QUEEN ViRUS

(ANGRY AND CONFUSED) ***How could this be?! This can't be a ViRUS! It's a mutant ABOMINATION!! The world isn’t big enough for such a horrid mutant like this!! What are we gonna do with that thing?!***

ViRAL PUP

O-Okay, look! I know this looks bad, but hear me out… Maybe, if that mutant was created from that app under such shaky conditions… Then maybe, *just maybe*, it could potentially disrupt the harmony of CRiTOPIA more than we could ever imagine!

QUEEN ViRUS

(IN THOUGHT) Hmmm… Say, that's not a bad idea at all… In fact, I think that idea sounds very-

Interrupting her was V-SPY, who came barging inside the ship.

V-SPY

SPY!!

QUEEN ViRUS
(ANGRY) ***WHAT?!***

The V-SPY shakes in fear as QUEEN ViRUS' specter are pointed directly at it.

V-SPY
(IN FEAR) S-Spy! Spy spy spy *spy*! Spy spy spy, *spy SPY!*
SUBTITLES: Y-Your majesty! I just saw a strange robot in the shape of a question mark! I believe it might ruin whatever plans you may have!

QUEEN ViRUS
(angry)
You saw a what, and *WHAT, and* ***WHAT?!***

V-SPY
(IN FEAR) *Spy spy!* Spy spy *spy… Spy spy spy spy…!*
SUBTITLES: I really did! I'm only saying what I'm saying… Please don't be upset…!

QUEEN VIRUS
(HARBORING ANGER) …Don't worry, my little spy friend. I am not *upset…* I'm only ***disappointed!***

Queen ViRUS shoots a ray out of her scepter towards the V-SPY ViRUS, shutting down its AI and turning it into a lifeless husk.

QUEEN ViRUS
(ANGRY) ***Pup! Get the mutant out of my sight! Throw it near the gathering, and make sure that NOTHING gets in my way!***

ViRAL PUP nods to her and runs offscreen to do her task. QUEEN ViRUS turns around and crawls toward the camera until only her frustrated face could be seen.

QUEEN ViRUS
(FURIOUS) ***Oh, what am I saying… NOTHING is ever gonna get in the way of my plans or my destiny! Nothing, I say! NOTHING!!***

EXT. CRiTOPiA PARK
At the CRiTORA Park, away from his party, EGGY is seen wandering around the open fields, looking for [NO NAME]. He searched behind a

tree, around the playground, and inside a small shed, which tools and equipment fall into EGGY when he opened the door.

EXT. CRiTOPiA PARK - EGGY'S PARTY
Back at the party, SPOTTIE, AVERY, and CONEBOY are playing a tabletop game along with SLURPY, which ends with SLURPY being the winner.

SLURPY
Hah! What do you know!

CONEBOY
Darn! You've stirred up a lot of trouble!

SLURPY
Couldn't agree more, pal!

PETUNIA
Com'on, Slurpy! We have gotta catch up on charades!

PETUNIA begins dragging SLURPY away from the table.

SLURPY
(FAST TONE, STUTTERING) O-Okay! It was nice meeting you all! *Tell Eggy I said hi!*

SPOTTIE
(GASP) Eggy! Agh, I got so caught up in this game, I almost forgot!

AVERY
Well, we should probably go look for him.

SPOTTIE
Eeeeh… I'm not really in the mood for hunting him.

AVERY
Really…? Me too…

CONEBOY
Heheh! I'd hate for both of y'all to be party poopers!

SPOTTIE and AVERY both stare at CONEBOY in an awkward lack of music.

CONEBOY
…What? … (SIGHS) I'll go search for him.

CONEBOY proceeds to leave.

EXT. CRiTOPiA PARK

After a long and tiresome search for [no name], EGGY started to lose hope and sat on the ground in dismay. Soon though, some shaking from a bush behind him left EGGY curious and a little scared.
He got up and slowly walks towards the bush as the shaking grows louder and crazier. When the shaking stopped, EGGY stopped as well.

Suddenly, an angry ALBINO V-A emerges. It stood there and did nothing, leaving EGGY to grow furious and ram towards it through the bush, scaring the ALBINO away from sight as he rolled and crashed onto its open white capsule. As he got up and calmed down, he checked inside the capsule to see nothing and quickly looked around his surroundings before realizing the stakes of a loose ViRUS around the park.

As soon as he ran away from the bushes, he suddenly bumps into CONEBOY, equipped with his catching net.

CONEBOY

Oh, hey! There you are!

EGGY makes some scared noises, pointing at the bush before running away.

CONEBOY

Okaaay… I'll just pretend I understood that… *Wait…* ***A ViRUS!?*** *In there!?* Oh, no you don't!

CONEBOY turns to the bush where EGGY was pointing, stepping forward with his hammer in hand. The ALBINO V-A emerges from hiding, although from a trash can behind CONEBOY, as it slowly crawled toward CONEBOY.

CONEBOY

I know you're here somewhere! Come out, come out, wherever you-

Mid-sentence, the ALBINO slowly touched CONEBOY with its claw, which immediately starts made him glitch and become infected, scaring the ALBINO away. He transforms off-screen as a frightened ALBINO watches.

EXT. CRiTOPiA PARK - EGGY'S PARTY

We cut back to the party, with SPOTTIE and AVERY sitting on a different bench, though they were rather stressed at the absence of EGGY and CONEBOY.

AVERY

(ASHAMED) What were we thinking... what isn't there to distract ourselves from all this tension and regret?!

SPOTTIE

(ASHAMED) For sure... I hope that the two are fine, especially- EGGY!

EGGY had finally came back to where he was at the party in worry.

AVERY

(CONCERNED) Oh dear, what's wrong?!

SPOTTIE

Did you saw [no name] teleport away? *…Again.*

EGGY frowns and shakes his head.

SPOTTIE

Then what did you- Wait. Did you… *spot…* (WHISPERING) *a ViRUS?*

EGGY looks down for a bit and nods.

AVERY

Oh no. Oh no no no, this can't be happening now! If we could act fast, I'll perhaps be able to-

SPOTTIE

(IN THOUGHT) Wait. If Eggy had returned from the sight of a ViRUS, *then what happened to-*

Suddenly, a present box drops behind EGGY, with all three in shock.

AVERY

JUMP!!

SPOTTIE, AVERY, and EGGY all jump away from the bench, just as the box explodes with confetti and colorful smoke, emerging the now-infected V-CONEBOY, who lands onto the bench the three jumped away from. The three land on the ground in shock, alongside everybody else at the party.

V-CONEBOY

Surprise!! Who's ready to have some ***FUN!?!***

NONSENSE

OoOoOoh, I am!

Everyone stares at NONSENSE. Two seconds later, everyone starts panicking. V-CONEBOY starts attacking by launching a ton of fireworks from two of his launchers.
